Developmental Medicine and Child Neurology

Volume 23 1981

INDEX

Authors and subjects of articles in the body of the journal are indexed together. Abstracts are included in the general index and listed under both subjects and authors, with '(abst.)' at the end of the title. Letters to the Editor are indicated by the symbol '(L)'.

KEYS TO ISSUES AND PAGES

Issue	*Pages*	*Issue*	*Pages*
No. 1	1–143	No. 4	425–563
No. 2	145–283	No. 5	565–702
No. 3	285–423	No. 6	703–839

Abortion, spontaneous, study of 1000 cases (abstr.), 559
Acetazolamide, effectiveness in treatment of carbamazepine-resistant epilepsy in children, 761
Acetylcholine: reversion of anti-acetylcholine receptor-site antibodies to negative following thymectomy, 101(L)
ACTH for infantile spasms: CSF proteins before and during treatment with, 384(L)
Acupuncture for relief of painful muscle spasm in dystonic cerebral palsy, 544(L)
Adolescent boys with reading retardation, bi-manual co-ordination, 617
AGARWAL, G. C. *See* PENN, R. D., 283
Age-related progress among children with severe learning difficulties, 465
AHDA-BARMADA, M., MOOSY, J. and PAINTER, M.: Pontosubicular necrosis and hyperoxaemia (abstr.), 699
Alexander's leucodystrophy, persistent hiccup as presenting feature, 660(L)
ALI, Z. and LOWRY, M.: Early maternal-child contact: effects on later behaviour, 337
ALVAREZ-GARIJO, J. A., GOMILA, D. T., AYTES, A. P., MENGUAL, M. V. and MARTIN, A. A.: Subdural haematomas in neonates: surgical treatment (abstr.), 837
American Academy for Cerebral Palsy and Developmental Medicine, Annual Meeting, 1980; Presidential Address, 103
  report and abstracts of papers presented, 109
AMNELL, G. *See* RIIKONEN, R., 747
Ampicillin resistance in *Haemophilus influenzae* type B meningitis (abstr.), 558
ANDERSEN, S. M. *See* ZIMABARDO, P. F., 837
ANDREWS, L. G.: Myelopathy due to atlanto-axial dislocation in a patient with Down's syndrome and rheumatoid arthritis, 356
Anencephalus, aetiology, intergenerational factors, 151
  recurrence, risk of, influence of social class, 155, 661(L), 662(L)

ANNOTATIONS
  Acute spinal cord disease in childhood, 643
  Antibiotic treatment of *Haemophilus influenzae* type B meningitis: the problem of bacterial resistance, 531
  Brushfield spots and Wolfflin nodules in the iris: an appraisal in handicapped children, 646
  Cerebral degeneration in Down's syndrome, 814
  Cerebral palsy and newborn care
    mortality and neurological impairment in low-birthweight infants, 650
    prevalence rates, estimated, under differing rates of mortality and impairment of low-birthweight infants, 801
    secular trends, 533
  Child neurology in the US in 1980, 810
  Clinical testing of visual function of the young child, 92
  Equal recovery in child and adult brain, 379

Follow-up studies of low-birthweight infants: suggestions for design, analysis and reporting, 96
Functional aspects of the chemical senses in the newborn period, 247
Nesidioblastosis of the pancreas in infancy, 372
Oral contraceptives and birth defects, 369
Plasma exchange in acute post-infectious demyelination, 538
Plasticity and specificity of language localization in the developing brain, 251
Tardive dyskinesia and the behavioural consequences of chronic neuroleptic treatment, 255
Virus infections of the CNS in children with primary immune deficiency disorders, 807

Antibiotic resistance in *Haemophilus influenzae* type B meningitis, 531, 558
ARANDA, J. V. *See* GUNN, T. R., 140
ARMIJO, J. A. *See* HERRANZ, J. L., 386(L)
ARTEAGA, R. *See* HERRANZ, J. L., 386(L)
Arteriovenous fistulae and asymmetrical asterixis, 818(L)
Arthrograms and operative findings, correlation, in congenital dislocation of the hip (abstr.), 700
Aspartic acid and thiamine, treatment of pyruvate carboxylase deficiency in the liver, 521
Asphyxia, perinatal, in neonates, correlation between computed tomography and autopsy (abstr.), 417
Asterixis, asymmetrical, and arteriovenous fistulae, 818(L)
ATKIN, A. *See* BALA, S. P., 323
Atlanto-axial dislocation, myelopathy due to, in a patient with Down's syndrome and rheumatoid arthritis, 356
Auditory localization, early testing of, for language development, predictive value, 306
Autopsy, correlation with computed tomography in neonates suffering from perinatal asphyxia (abstr.), 417
AYNSLEY-GREEN, A.: Nesidioblastosis of the pancreas in infancy, 372
AYTES, A. P. *See* ALVAREZ-GARIJO, J. A., 837

BAAL, M. G., GABREËLS, F. J. M., RENIER, W. O., HOMMES, F. A., GIJSBERS, TH. H. J., LAMERS, K. J. B. and KOK, J. C. N.: A patient with pyruvate carboxylase deficiency in the liver: treatment with aspartic acid and thiamine, 521
Baclofen, in childhood spasticity (abstr.), 139
BAIRD, H.: Handicap and government: an American view, 285
BAIRSTOW, P. J. and LASZLO, J. I.: Kinaesthetic sensitivity to passive movements and its relationship to motor development and motor control, 606
